Issue 1.1 July 2018

News from the Golf Shop...

What a great June we had at Hawktree Golf Club! A lot of great things took place this month and happy to share as much as we can.

Congratulations to all those that advanced in the Drive Chip & Putt local qualifier that took place June 12th at Hawktree. Great to see a good amount of Juniors represent our club and great city of Bismarck! Congratulations to our junior members advancing to the Sub-Regionals in August! They are Hannah Herbal, Leah Herbal, Parker Beck and Lucas Boustead.

Congratulations to Nate & Justin Varty our 2018 Shootout Derby Champions! They competed over three days against 59 talented teams to be crowned Champions! Special thanks to all our sponsors, participants and staff for making it an event to remember. June 27-30th tentative dates for 2019!

This is also a great time for us to do our part (as we should do every time) and remember to care for the course. With the popularity of our club growing and the amount of play we get, we can get it done. Please remember to fix your pitch marks on the greens, rake bunkers and sand your divots in both fairways and tee boxes!

Golf Course Maintenance news....

The most important part of the season for us is July & August. These are the best times to start venting the greens and getting them the care they need to remain in great playing conditions.

Please do your best and help us by replacing your pitch marks on the greens, sand your divots (both on tee box and fairways), rake the bunkers and overall continue to leave the golf course in better conditions than when you played it!
