Issue 1.2 August 2018

News from the Golf Shop...

What another great month of golf we had in July! I wanted to pass on my thanks to our Certificate and Pass holders. It's not always easy to accommodate our members when we have outings and July was a busy month for that. It was also a great opportunity to showcase our facility to others outside our area.

Congratulations to Hannah & Leah Herbel for their efforts in representing Hawktree at the 2018 Optimist International Junior Golf Championships this past July 22nd-27th. Hannah finished T-30th and Leah 35th respectively. The tournament was played at the PGA National Resort & Spa in Palm Gardens, Florida. Great job Hannah & Leah!

Please remember if you have any suggestions or comments for the club to take part in our Suggestion Can Program located in the entry way of the clubhouse.

This is also a great time for us to do our part (as we should do every time) and remember to care for the course. With the popularity of our club growing and the amount of play we get, we can get it done. Please remember to fix your pitch marks on the greens, rake bunkers and sand your divots in both fairways and tee boxes!

Fairways and Birdies,
Michael Herzog, PGA

PGA Junior League All-Star team...

Congratulations to the following juniors who have earned a right to represent Hawktree and the Bismarck-Mandan league on Sunday, August 5th in Moorhead for the Sectional Qualifier for PGA Junior League Postseason. They are Parker Beck, Ava Kalanek, Dane Beechie, Cameron Wittenberg, Lucas Schoepp and Jayce Johnson.

Bike racks at Hawktree

It's great to see juniors at our facility! We want to make sure they are safe when riding their bikes. Please be aware and remind your kids to park their bikes in our new bike racks. They are located on the driving range and by the golf shop.

Zach Woods is moving on....

I have the great pleasure of announcing that our Assistant Golf Professional Zach woods has been offered a great position in TX. He is pursuing his dream of becoming one of the best teachers in the business. Zach's last day with us will be Sunday, August 5th. Zach will be working as a Teaching Professional at Ridgewood Country Club in Waco, TX. Thank you for two years of service, we appreciate everything you have done to make Hawktree great again!

Golf Course Maintenance news....

The golf course is in great shape going into August. With the temperatures potentially reaching in the high 80's & 90's during this month we will turn on our irrigation system during the day (4 minutes tops) to help with cooling the greens. We want the best conditions possible for the course.

Please continue to fix your pitch marks, fill your divots with sand and rake bunkers. As we head into the month of August we will also be Aerifying the greens the 20th - 22nd.
