

Greetings, Michael!

This letter is to inform you that Hawktree Golf Club will be taking the much-needed necessary steps to restore and maintain the cart paths going forward starting with the 2021 golf season.

With that said the Board of Directors have instituted a yearly structured Cart Path Restoration (CPR) fee to help offset costs. All parties playing Hawktree will pay this fee. The fees below will be collected starting on April 1st, 2021. We expect with current costs of materials and labor that the yearly CPR fees will last about three years, but at this time we will assess it year to year.

CPR Yearly Fee categories:

Lifetime Members, Residential Cart Owners, Yearly Cart Lease purchasers - \$300 per year.

For those who don't fit the categories above. Members will pay \$25 per cart seat (normally \$20), while non-members paying \$30 per cart seat (normally \$25).

We appreciate your cooperation and support as we go into 2021 knowing the cart paths will be restored and maintained going forward.

If you have any questions, feel free to email PGA Head Golf Professional, Michael Herzog at headpro@hawktree.com

All the best and looking forward to a great 2021 season!

Sincerely,
Michael B. Herzog, PGA
